Message from the Chief Exec

Thank you for making me feel very welcomed over the last few months. I am really enjoying getting to know everyone, and I hope everyone is starting to see the changes happening around Genesis to make it a better place to come to each day.

Kevin is doing a no talking day to raise money for a new summerhouse in the garden. He will be doing the building, and once it's done everyone can enjoy sitting in there and relaxing. Every time Kevin talks on the 1st of July he has to pay some of his money, so we should have lots of money by the end of the day!

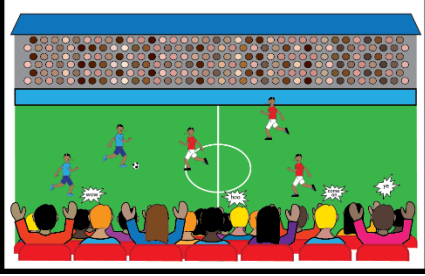

We are doing a competition for a new Genesis mascot. All you need to do is:

Pick an animal to represent Genesis.

Design a t-shirt or clothes for your mascot in either paint, fabric or colour to represent what Genesis means to you.

Speak to SJ or Leah if you would like more information. Please hand in your design or email it over to SJ by the 16th of July. There is a sheet for you to draw your mascot with this newsletter.

football match

We have been getting involved with the Euros for the last couple of weeks. Everyone has been very involved with the football matches, and has enjoyed doing football themed activities, baking football cupcakes and decorating with the England flag.

sports group

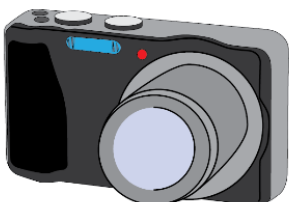

We have lots of fantastic sporting activities organised in the next few weeks for everyone to join in and have fun. We hope the weather will be nice so we can get outside and play sports games like football and archery.

On Tuesday evening Clip 'n Climb have SEN and additional support sessions. There is special equipment and training to help climbers with disabilities. There are less people in the session and lower noise levels. The SEN Friendly session is at 5:30pm and the Disability Support is at 6:00pm (term-time only).

camera

We would like to see your photos from home! Show us all the interesting activities you are doing at home. We would like to put them on our Facebook page. Email them to
